Living In The Underground Beneath Las Vegas.

Two years ago, Stacy Green had an idea for a story about a SWAT officer in Las Vegas, Nevada. But it wasn't until she Googled "Las Vegas tunnels" in the hopes of learning about mob escape routes that she learned of the hundreds of homeless who call the Las Vegas storm drains their home. The idea of a stalker who intends to stash his victims in the dark abyss was the result. Her debut romantic suspense novel, *Into The Dark*, releases from MuseltUp Publishing on November 30th.

IT'S THE MOMENTS FROM OUR PAST THAT BIND US.

Branch Manager Emilie Davis is having a day like any other—until two masked men storm into WestOne Bank demanding cash. Her hopes of a quick end to her terror are dashed when she realizes one of the men has no interest in the bank's money. Emilie is his prize, and he's come to claim her.

When hostage negotiator Nathan Madigan and Las Vegas SWAT enter the bank on a rescue mission, Emilie's captor makes a shocking escape into the abyss that lies beneath the city: the Las Vegas storm drains, a refuge for the downtrodden and the desperate.

HOW WILL IT END?

Who is the man the media has dubbed the "Taker?" Why is he after Emilie, and what is the connection he's convinced they share?

Emilie can't run from the Taker, and she can't escape her own past. As her life closes in on her, she has nowhere to turn but to Nathan. The lines of professionalism blur as Nathan becomes determined to save Emilie. Together they venture into the depths beneath Las Vegas and discover a shocking piece of the puzzle.

But the Taker remains one step ahead. Desperate for the threat to emerge from the shadows, Emilie makes a bold move to reclaim her life, and it may cost her everything.

Author Bio

Stacy Green is fascinated by the workings of the criminal mind and explores true crime on her popular Thriller Thursday posts at her blog, [Turning the Page](#).

After earning her degree in journalism, Stacy worked in advertising before becoming a stay-at-home mom to her miracle child. She rediscovered her love of writing and wrote several articles for Women's Edition Magazine of Cedar Rapids, profiling local businesses, before penning her first novel. Her debut novel, *Into The Dark*, is set in Las Vegas and features a heroine on the edge of disaster, a tormented villain, and the city's infamous storm drains that house hundreds of homeless. Available November 30th, *Into the Dark* may be purchased for Kindle, Nook, Ipad, Kobo and all other digital formats, and on paperback via Amazon.

INTO THE DARK Charity Raffle

The homeless living in the storm drains of Las Vegas played a vital part in *INTO THE DARK*, and to give back, Stacy is hosting an online charity raffle. From November 1st until February 28th, participants will have several options to enter, including donating to [HELP of Southern Nevada](#). The grand prize will be a \$100 donation from Stacy Green in the winner's name to the homeless shelter of their choice.
